SAM/phone #: Al Gebien, 312/886-1304

State Contact/phone #: David Fawcett, MPCA Site Assessment Unit, 612/297-1788
Jim Porter, MPCA Site Assessment Unit, 612/297-2956

Other Contacts/phone #: Ron Swenson, Manager, MPCA Site Assessment Unit, 612/297-1793

Who reported site: The site was referred to MPCA staff by the staff at the Minnesota Department of Health.

Site Name: South East Brainerd Ground Water Contamination Site

Need CERCLIS ID No.: Yes

Need Site Specific Spill ID No.: No

Site Location: (address/city/county/state) 29th and Oak Street (Hwy. 18), Brainerd, MN

Site Owner Name and phone #

Operation Status: Active _____ Inactive _____

Site Description: The contamination was discovered at the Brainerd Seventh Day Adventist School during a routine water sampling by the Minnesota Department of Health. The school and associated church are located on highway 18 at the eastern edge of the city of Brainerd. The eastern city limit of Brainerd runs down the western border of the property.

The site contains three buildings; the church, school, and a small storage building. The buildings are separated by a parking lot, and the water supply well for the site is located in the middle of the parking lot.

Type of Operation and Wastes: There is no current or historical information that indicates the storage or generation of hazardous substances on the church property.

Justification for Initiating Activity: The water supply well at the school has been impacted with carbon tetrachloride at concentrations significantly higher than the MCL. There are at least 47 residences and businesses within one mile of the site of discovery which utilize private wells for drinking water.

Suspect Resource Damage: Y N (If yes, list DNR or USFW contact) Unknown

Anticipated Site Recon/Sampling Date: April 13, 1995

Priority: (High, Low) High

Site Assessment Involvement: Y N Integrated Assessment: Y N

Remediation Decision (TC, NTC, NPL) Date of Decision:
